

STARING MOTOR SERVICE

GIHAN CHAMODYA

I am a skilled and experienced motor service vehicle electrician specializing in diagnosing, repairing, and maintaining electrical systems in a wide range of vehicles. With a strong focus on quality and efficiency, I excel in troubleshooting complex issues and delivering reliable solutions that keep vehicles running at their best.

ABOUT

As a dedicated motor service vehicle electrician, I take pride in my ability to solve challenging electrical problems and ensure every vehicle I work on meets the highest safety and performance standards. My expertise includes installing and repairing wiring, diagnosing faults in electronic control systems, and maintaining batteries, alternators, and other critical components.

With a hands-on approach and a commitment to staying up-to-date with the latest automotive technologies, I strive to provide top-notch service to every customer. Whether it's a personal vehicle or part of a fleet, I am here to ensure dependable and efficient electrical systems.
