

STARING MOTOR SERVICE

GIHAN CHAMODYA

I am a skilled and experienced motor service vehicle electrician specializing in diagnosing, repairing, and maintaining electrical systems in a wide range of vehicles. With a strong focus on quality and efficiency, I excel in troubleshooting complex issues and delivering reliable solutions that keep vehicles running at their best.

ABOUT

As a dedicated motor service vehicle electrician, I take pride in my ability to solve challenging electrical problems and ensure every vehicle I work on meets the highest safety and performance standards. My expertise includes installing and repairing wiring, diagnosing faults in electronic control systems, and maintaining batteries, alternators, and other critical components.

With a hands-on approach and a commitment to staying up-to-date with the latest automotive technologies, I strive to provide top-notch service to every customer. Whether it's a personal vehicle or part of a fleet, I am here to ensure dependable and efficient electrical systems.

WORK SAMPLE

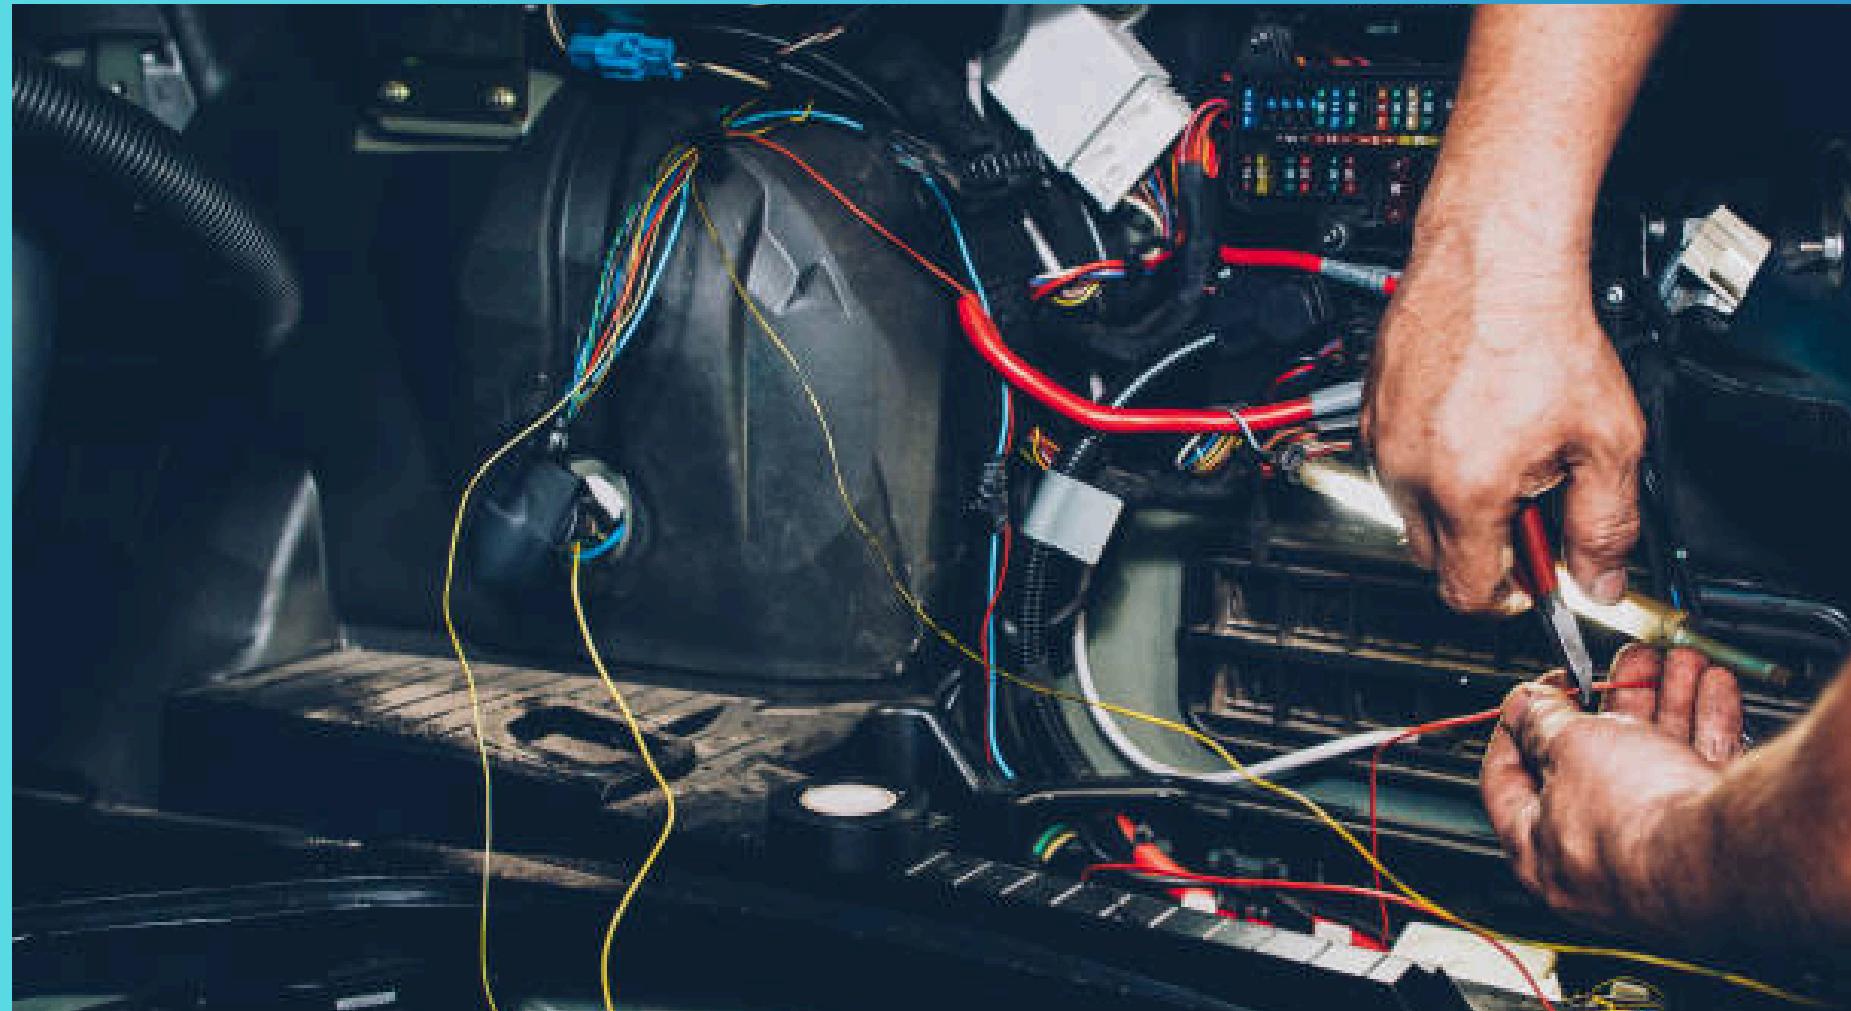

FULL WIRING SERVICE

MANITHA ABESIRIWARDANA

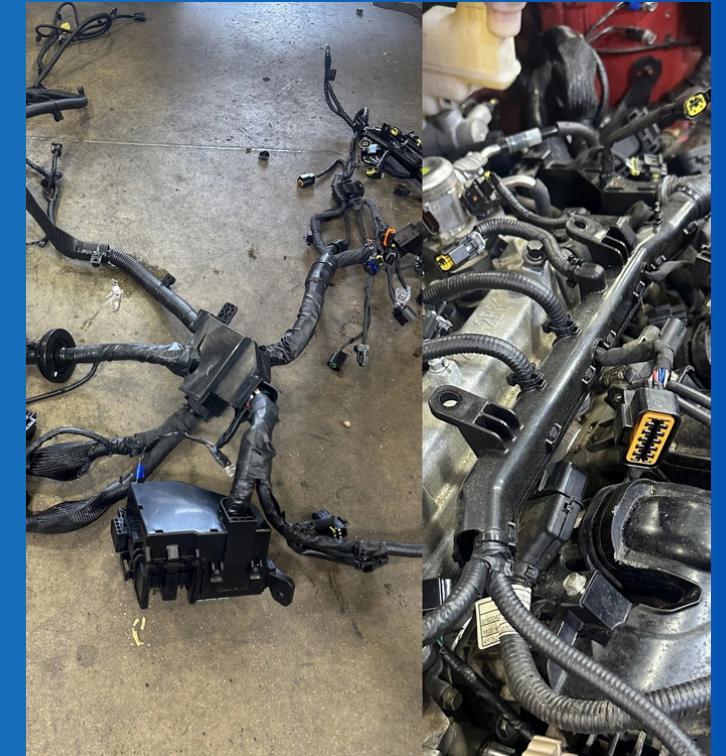

I am a professional vehicle electrician specializing in full wiring services for all types of vehicles. With expertise in diagnosing, repairing, and installing advanced electrical systems, I ensure optimal performance and reliability for cars, trucks, and heavy equipment. I pride myself on delivering high-quality, custom solutions tailored to meet the specific needs of each vehicle.

ABOUT

I am passionate about automotive electrical systems and take pride in helping vehicles run at their best. My work involves everything from complete rewiring and upgrading electrical systems to troubleshooting complex issues. Whether it's a classic car restoration or modern vehicle electronics, I aim to provide efficient, reliable, and innovative solutions that exceed client expectations.
